**boosts your productivity**  
LURES YOU TO RELAX

**UPPOHOPPA**

## welcome home

"Upp o hoppa", is swedish and translates bluntly something like "get up and jump". Actually the meaning is more like "OK let's get this going".

We wish that you would feel the same way about our *UppoHoppa*, to let something new start in your home.

Always present, the desk is the all round answer to many small questions in your

home. Anytime you speak or think the where-shall-I-put phrase, it's there for you.

Perfect as a side table, gets you on your feet when you want to work standing up, holds your cookbook and offers you a desk when you need to put your glass down. And don't even get us started on the ergonomic benefits...

*UppoHoppa* is home.

## work from home

The wizard that turns any table into an excellent laptop desk.

40 different heights to choose from the *UppoHoppa* will find a level that is perfect for you.

In two seconds you can change the desk from low to high position and back. Ones you tried it, you will be certain, with only one doubt: "Should I have bought two?"

*UppoHoppa* is fully recyclable  
as it is made from untreated  
birch plywood

## away from home

Bring a piece of home with you wherever you go. *UppoHoppa* travels easily in its carry box. It is light and handy to bring anywhere.

The benefits of your desk never disappears but work just as well on your travels. Bring it to your cottage, hotel room, trips to wherever life takes you.

*UppoHoppa* is the link to a better working experience on your lap top.

You probably already spent a lot of money on a nice computer, to get that job done properly?

Maybe you're worth having less neck pains from working on that fine computer of yours? This adjustable desk might fix just that. Get up and move a little - Upp o hoppa!

The desk does not steal your space, on the contrary, it is a little miracle how much it gives without taking.

Non less than 40 different levels to choose from guarantees you an ergonomical working position.

## feel at home

All work and no play? *UppoHoppa* is not all about constantly delivering, or all about lazy days, snoozing of in your couch.

Life is about flexibility. Full of change. Moments come and go, and we adjust. *Uppohoppa* adjusts with you.

Boosts your productivity. Lures you to relax. Just like life.

## silent home maker

If you leave your *UppoHoppa* alone for awhile, it will soon find a purpose. The adjustable desk level is welcomes all kinds of creative ideas.

The surfaces of the stand are "Naturel" to achieve a warm wooden surface. Would you like to give your *Uppohoppa* a touch of personality it is OK to paint, varnish or wax it. Reveal your own style!

## home party

"I need a hand with the food!"

Well, the *UppoHoppa* is there too. No matter if it is work, hobbies or party, there is always a task that the adjustable shelf can help you with.

The time before and after *UppoHoppa*, might be true. Anyway the stand works in many ways - making you productive, helping you to relax and activating you.
